

How to Create Price Tags

Last Modified on 09/01/2020 2:33 pm EDT

If you have specific add-ons or accessories you'd like to draw attention to in your showroom or at the parts counter, you are able to print custom price tags with detailed information about each item.

You can access this functionality by selecting it from the List & Print Options menu after adding one or more products to your list.

The screenshot shows the Mazda Accessories website interface. At the top, there is a navigation bar with 'Mark Mustermann Dealership' and the Mazda logo. Below this is a search bar and a 'LIST & PRINT OPTIONS' button. The main content area features a 'Mazda Accessories. Whatever fuels you.' heading and a grid of car models: CX-3, CX-30, CX-5, Mazda3 Hatch, Mazda3 Sedan, Mazda6, and MX-5 Miata. A 'Your List' sidebar is open on the right, displaying two items: 'Splash Guards Rear Pair - Black ...' for \$85.95 and 'All-Weather Floor Mats' for \$94.95. The sidebar also shows a 'List Subtotal' of \$180.90 and a 'Total' of \$180.90. At the bottom of the sidebar, there are buttons for 'PDF Brochure', 'Price Tag', 'Quote', and 'Accessory Label', along with a 'View List' button.

On the list page, there are four tabs; click on the second one (titled Price Tags).

The screenshot shows the 'Price Tag' configuration page. It has four tabs: 'PDF BROCHURE', 'PRICE TAG', 'QUOTE', and 'ACCESSORY LABEL'. The 'PRICE TAG' tab is active. Under 'SELECT A SIZE', there are two radio buttons: '3.5" X 2"' (selected) and '6" X 4"'. Under 'ADDITIONAL ITEMS', there is a text input field. Under 'ADDITIONAL ITEMS PRICE', there is a text input field with '0.00'. Under 'PRICING', there is a dropdown menu with 'Online Price' selected. A 'Print' button is located at the bottom right. A note at the bottom states: '*Printing in landscape orientation is required for proper sizing output.'

For each item, the price tags will display a brand logo, product name, product number, and the product price.

You can pick MSRP, MSRP + Installation, Online Price, Online Price Installed, or Our Price, which will be displayed on the price tag. You can make Price Tags for custom items by entering the description in the Additional Items box and the price in the Additional Items Price box. Once you've entered the necessary information, click the **Print** button to print out Price Tags in your selected size.

Price Tags come in two sizes: 2.5 x 3.5 in and 4 x 6 in. Each product on your list will receive a separate price tag.
