Last Modified on 07/09/2020 3:15 pm EDT

The Mazda accessories eCatalog is only available to authorized Mazda dealers and employees, so you must log in prior to accessing the site. There are a couple of easy ways to do this:

## Option 1: Logging in through mxConnect:

You can log to the site via mxConnect by going to <http://dealers.mazdausa.com/>, navigating to the **Genuine Mazda Accessories (GMA)** section, and clicking the link for **Accessory eCatalog (NEW!)**.

## Option 2: Logging in Directly via SSO:

You can also log in to the site via Mazda SSO. Just go to <https://portal.mazdausa.com/ECatalog.html> and enter your WSL credentials. This is a great option to bookmark for easy access.
